

Directions: Rick Eng, Long Beach

Below are directions to Rick Eng's residence at 1500 East Ocean Blvd. in Long Beach, the site of the NGG function. Street parking Ocean Blvd., 9th Place and 10th Place and garage guest parking are available. Rick's home number is (562) 901-9013 and mobile number is (562) 572-9943.

Directions from Los Angeles

- Long Beach Freeway (710) South
- Remain on freeway until it transitions to Shoreline Drive; you will pass the Long Beach Aquarium on your right-hand side.
- Follow Shoreline Drive until it reaches the intersection at Ocean Blvd., make a right heading East.
- Go about half-mile until you reach 9th Place, make a right, Eastbound.
- 1500 Ocean is located on the left-hand side; it is the only building on the Eastside of the cul-de-sac.
- Park on the street (if available) or guest parking inside the complex. Dial "013" on the kiosk to call Rick, so he can let you inside. Guest parking spaces are limited.
- Take the Main Lobby elevator to the Fourth Floor, exit to the right to the Recreation Room. If event is outside at the beachfront, exit to the left of elevator and walk to the Beach Building elevator and take it to the basement level ("B") and exit the building to the sand.

Directions from Orange County

- San Diego Freeway (405) North to 22 Freeway, Westbound.
- Remain on freeway until it transitions to Seventh Street.
- Go about three miles until you reach Cherry Avenue, make a left, Southbound. Cherry will terminate at Ocean Blvd., make right, Westbound.
- Make a left on 9th Place; 1500 Ocean is located on the left-hand side; it is the only building on the Eastside of the cul-de-sac.
- Park on the street (if available) or guest parking inside the complex. Dial "013" on the kiosk to call Rick, so he can let you inside. Guest parking spaces are limited.
- Take the Main Lobby elevator to the Fourth Floor, exit to the right to the Recreation Room. If event is outside at the beachfront, exit to the left of elevator and walk to the Beach Building elevator and take it to the basement level ("B") and exit the building to the sand.
